Re: Women's Med Center Dayton Variance – Notice of change

Dear Mr. Hodge:

I represent Women's Med Group Professional Corporation and Women's Med Center Dayton ("WMCD"). One of WMCD's backup physicians, Jerome Yaklic, M.D. has notified WMCD that he will be leaving the area to pursue a career outside of Ohio. As a result, he informed WMCD that his privileges at Miami Valley Hospital will terminate on April 30, 2020. WMCD is actively searching for a replacement backup physician and will notify you as soon as an agreement has been reached.

Sincerely,

Jennifer L. Branch
